# General Entry Requirements

## MPhil Programmes

- Graduated from a recognized university and obtained a Bachelor's degree, normally with honours no lower than Second Class; or
- Graduated from an honours programme of a recognized university with a bachelor's degree, normally achieving an average grade of not lower than "B".

## Language Requirement

IELTS (academic) results not lower than 6.5. Exemption from this requirement may be granted to local university graduates with a degree in English or university graduates from an English-speaking country.

## PhD Programmes

- Obtained an MPhil or a taught master's degree; or
- Graduated from a recognized university and obtained a Bachelor's degree, normally with First Class honours; or
- Enrolled in an MPhil programme in the University and requested transfer to PhD programme.
- Applicants with a taught master's degree shall also have graduated from a recognized university with excellent grades and good recommendations from the University. It is also highly preferable that their taught master's degree should be related to their chosen field of study in the proposed programme.
- Applicants must also satisfy other programme-specific entrance requirements, if any, stipulated by individual departments.
